Partnership and Purpose

Our customers' projects are an investment in the future. They create jobs and economies; improve the resiliency of the world's infrastructure; increase access to energy, resources and vital services; and make the world a safer and cleaner place.

While our expertise enables delivery, ongoing collaboration is critical to long-term success. By aligning our capabilities to our customers' goals, we help them achieve operational and performance excellence with the highest capital efficiency – driving innovations across the project lifecycle, mitigating risk, and contributing to a lasting positive legacy.

Since 1898, we have been the trusted partner of industry and governments worldwide, helping them deliver more than 25,000 projects in 160 countries on all 7 continents.

We serve the infrastructure; power; water; pipeline; nuclear, security and environmental; oil, gas and chemicals; and mining and metals markets.

Our services span from initial planning and investment, through start-up and operations.

Our Values

Core to Bechtel are our values – ethics, safety, quality, people, culture, relationships, innovation and sustainability, and our covenants – integrity, respect, collaboration, trust, and delivery. They are what we believe, what customers can expect, and the way we deliver.
