Bidding Type:	Competitive bidding
Notice No.:	RFQ No. - TBD
Description:	<p>1. Experienced and qualified Companies are invited to provide engineering and construction services, including supply, installation, testing and commissioning of Temporary Warehousing and Breakroom Tents (commodity code UA11) at the project location for the Poland Nuclear Power Plant.</p> <p>The following temporary buildings will be located on the project site:</p> <p>6 of Temporary Warehouses</p> <ul style="list-style-type: none">• Equipped with electrical utilities;• Heated and ventilated for climate control of material storage;• Footprint of each: 2760 m2;• Dimensions of each: 24 m (length), 115 m (width), 10 m (height). <p>3 of Temporary Breakroom Tents for Craft Professional Lunch Break:</p> <ul style="list-style-type: none">• Equipped with electrical, water, sewer, communication utilities;• Heated and ventilated for use by people through all seasons in Poland;• People capacity: 2300 per tent;• Footprint of each of 5200 m2;• Dimensions of each: 130 m (length), 40 m (width), 10 m (height). <p>Buildings shall be made using prefabricated technology with steel made supporting structure and fabric cladding, placed and anchored to the concrete surface. The buildings shall be equipped with facilities as listed above and comply safety and quality certificates as stated per building law in Poland. The surface preparation is excluded from the scope.</p>

	<p>The detailed scope of work will be outlined in the specifications, scope documents, and other contractual materials provided to the Companies within the Request of Quotation as outlined by the schedule below.</p> <p>Interested Companies must register/update their company's information in Bechtel's iSupplier portal at Suppliers - Bechtel, select commodity code UA11. If the Company has any questions or wants to express interest in bidding, the Company shall notify Bechtel's Contact Person – Monika Kalandyk (mkalandy@bechtel.com). At that point, Bechtel shall provide the interested party the Poland Prequalification Questionnaire for the Company to complete and return to Bechtel for review.</p> <p>Bechtel notes that previous proven design, fabrication, installation and commissioning of year-round tent storage halls with climate control and ventilation systems of similar scale and complexity will be mandatory and additional documentation / evidence may be required.</p> <ol style="list-style-type: none"> 2. The prequalification criteria and required documents for submission will be included and defined in the prequalification questionnaire. Examples thereof include demonstration of (i) experience in furnishing design, fabrication, installation and commissioning of storage tent structures in the past or current projects, (ii) availability of construction equipment in performance of the scope, (iii) safety record and compliance to quality requirements and ISO 9001 certification or quality program that is comparable to ISO 9001 (to be approved by Bechtel), (v) compliance to certification of legally mandatory requirements (incl. anti-corruption and sanctions), (v) financial standing (solvency), and (vi) organizational capabilities. 3. Upon Bechtel's evaluation of response to the Poland Prequalification Questionnaire, Bechtel will notify whether Company meets, conditionally meets, or does not meet the prequalification requirements. Subcontractor's submission of Prequalification Questionnaire does not automatically qualify Subcontractor to be prequalified. <p>Bechtel reserves the right to exclude any of the following from this Competitive Bidding process:</p> <ol style="list-style-type: none"> a. any economic operator that is directly or indirectly owned or controlled by an entity from a country not covered by the Government Procurement Agreement ("GPA") with the EU; or b. economic operators who rely in the Competitive Bidding process on capacities of any entities from countries not covered by the GPA with the EU. <p>Such decision of Bechtel shall not be subject to complaint.</p> <p>In the event of high competitiveness of the proceedings (a large number of companies expressing interest), Bechtel reserves the right to conduct a preliminary preselection of companies for further proceedings, which demonstrate the greatest potential for performing the scope of work.</p> <ol style="list-style-type: none"> 4. Each prequalified Company will be required to execute a Non-Disclosure Agreement (NDA). 5. Company meeting the prequalification criteria and who have executed the NDA will be invited to submit the proposals for the scope as part of the Request for Quotation (RFQ) process. 6. The RFQ will include the award criteria, scope of work, specifications, drawings, datasheets, terms and conditions and schedule data. The RFQ shall be issued via Bechtel's Digital Supply Chain System automation tool. 7. Company's proposal may be provided in either EURO, PLN or USD. Furthermore, the proposals will be requested as a firm fixed price (not subject to any price adjustment) with agreement to unit rates for change management.
--	--

	<p>8. The procedure for the Company to gain access to classified information, as required, will be subject to compliance with the executed NDA, Applicable Export Laws, Applicable Laws, and Applicable Safeguards Laws which will be included in the RFQ document.</p> <p>9. Award criteria shall be based on a combination of the highest scored technical proposal with consideration of the following key criteria in order of relevance, together with cost which will determine the final decision for award which will be detailed further in the Bid Document(s) and during the RFQ phase.</p> <ol style="list-style-type: none"> Previous Proven Relevant Experience Technical Capability Delivery Management Team Health, Safety and Environment Performance Quality Program Execution Schedule Compliance
