Engineering the Extraordinary

25,000 extraordinary projects — many first-of-a-kind — in 160 countries on all 7 continents.

The strength of our team

- 38,000+ colleagues worldwide
- 100+ nationalities

2018 Financials

- Revenue in billions of U.S. dollars: $25.5
- New work booked in billions of U.S. dollars: $17.3

Infrastructure

- 300 subway and rail projects
- 17,200+ miles (27,700 kilometers) of highways and roads
- 6,200+ miles (10,000+ kilometers) of railroad
- 390 individual power plants

Mining & Metals

- 200 million metric tons per year of installed iron ore production
- 44 major copper projects
- 30 aluminum smelter projects
- 8 alumina refinery projects

Nuclear, Security & Environmental

- 121,000 chemical weapons destroyed since 2017 (and counting)
- Purchased more than $71 billion in goods and services, $17 billion of which went to small businesses
- 6 sites recognized by Department of Energy and Department of Defense worker safety programs

Oil, Gas & Chemicals

- 44 LNG trains producing nearly 130 million metric tons per year
- 275+ refinery expansions and modernizations
- 52,800+ miles (85,000 kilometers) of pipeline systems
- 380 major chemical and petrochemical projects

Bechtel is a trusted engineering, procurement, construction, and project management partner to industry and government. We align our capabilities to our customers’ objectives to help them achieve the most successful outcomes and create a lasting positive impact.
